

Daily Bible Reading Plan

This Bible reading plan allows you to read the entire Bible in one year while only reading five times a week. Many people have successfully reached their goal of regular Bible reading using this schedule. Further, reading the Old Testament in chronological order (even the Psalms have been placed chronologically when possible) aids understanding of the Bible story, and helps the reader to look forward to reading God's Word. The New Testament readings space the Gospels out throughout the year to keep the reader constantly coming back to the life and teachings of Jesus. Always do the reading in the order it appears on the schedule. God's blessings rests with those who will read and live by His Word. "Your word is a lamp to my feet, and a light to my path" Ps. 119:105.

Physical Distancing Policy

We are happy that we can meet together today! As we look forward to worshipping with you, we want to communicate a few things to you.

- 1) If you feel the need to stay home, we will continue to live-stream our services, so you will still be able to watch. And, as always, call us if you need help with anything.
- 2) Wear masks into and out of the building. Continue to maintain 6ft of social distancing when in the building.
- 3) Feel free to sit in any row now that we have spread them out over 6 feet apart.
- 4) Fussy children in the worship service do *not* bother us at all. Do not feel like you have to take your kids out. They are a part of the family, and we love having them in the worship service.
- 5) After the service is over, feel free to linger and talk to others. Stay as long as you would like. Just wear your mask and maintain social distancing.
- 6) If you would like to tithe, we will have the baskets set up in the lobby. They will be on either side of the table where the greeters usually stand to pass out bulletins.

Thank you! Your Elders & Pastors

Thought for the Week

The word *God-breathed* (2 Tim.3:16) indicates that “all scripture” owes its origins and contents to the Spirit of God. The human authors were powerfully guided by the Holy Spirit. As a result, what they wrote is not only without error but of supreme value for man. It is all that God wanted it to be. The Spirit, however, did not suppress the personality of the human writer, but raised it to a higher level of activity. Inspiration is organic, not mechanical. It should never be considered apart from those many activities which served to bring the human author upon the scene of history. By causing him to be born at a certain time and place, bestowing upon him specific endowments, equipping him with a definite kind of education, causing him to undergo predetermined experiences, and bringing back to his mind certain facts and their implications, the Spirit prepared his human consciousness. Next, that same Spirit moved him to write. Finally, that same Author suggested to the mind of the human author the very words and the style, which would be the most appropriate vehicle for the interpretation of the divine ideas for people of every rank and position, age and race. Hence, though every word is truly the word of the human author, it is even more truly the Word of God.

January Bible Memory Verse

So God created man in his own image, in the image of God he created him; male and female he created them.

Genesis 1:27

Confession of Sin & Assurance of Pardon

In Unison: Dear Jesus,
I am helpless without you.
Show me how to depend on you.
I love and trust you to help me.
In your name,
Amen

Silent Moment for Private Prayer and Confession of Sin

Assurance of Pardon: “Yet even now,” declares the LORD, “return to me with all your heart, with fasting, with weeping, and with mourning; and rend your hearts and not your garments.” Return to the LORD your God, for he is gracious and merciful, slow to anger, and abounding in steadfast love.”

Joel 2:12-13
